

## September 14 ~ 1<sup>st</sup> Grade

This week we had our ups and downs. The change in weather, I believe, played a factor. At the beginning of the week, when we still had warm weather, kids were productive in class, listening, and making good choices. Then, the weather changed. And so did our behavior! However, by the end of the week, even though the weather was still cool-ish, we had remembered how to act, listen, and make good choices.

Speaking of cool weather...now that the weather IS changing, please ensure that your child brings or wears a coat to school. If your child does not have a coat, please let me know ASAP.

An information sheet came home today that shows you how to access Scholastic News online using our classroom code. Your child can watch videos, read the magazine again, have the magazine read to her/him and complete activities. This is purely optional.

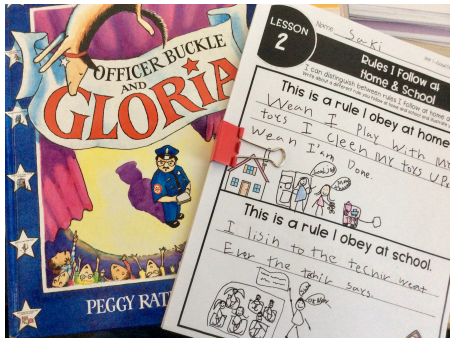

### PICTURE DAY – SEPT. 24

Picture day is fast approaching! Monday, September 24<sup>th</sup> we will be having our school pictures taken. An information packet came home today in your child's Homework Folder so you can see what photo packages are available, what color backgrounds you can choose from, and what "extra's" are available. Payment can be made online, or you can send a check to school in the photo envelope. Please return photo envelopes to school before Sept. 24<sup>th</sup>.

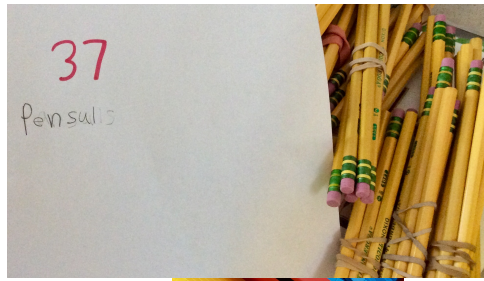

### Why do we need rules?

This week we looked at why we need rules, what are some rules we follow at home and at school, and what the main purpose of rules are (to keep us safe). We also read through a Scholastic News magazine that talked about school rules.

# The Week in (some) Pictures

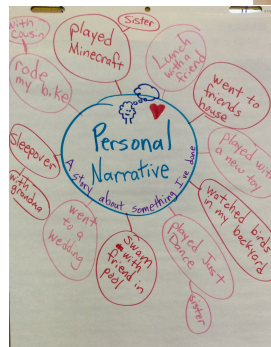

We read Officer Buckle and Gloria and wrote about a rule we follow at home and at school

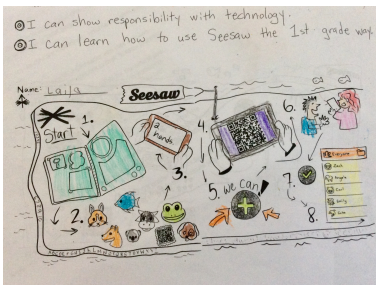

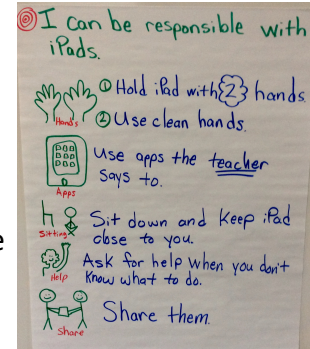

During Math Workshop we investigated collections and made posters telling how much was in each collection

We talked about what a personal narrative was and practiced writing some

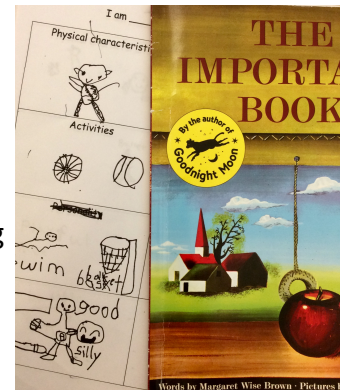

iPad rules we agreed on

After learning how to be responsible with iPads, we started practicing how to use the Seesaw app

We read The Important Book and began brainstorming things that make us important

## PLEASE NOTE:

We go to Library on Monday. If your child still has library books at home, please have them turn them in first thing Monday morning.

SECO Movie Night (The Incredibles) is coming on 9/21 @ 6:30pm

Picture Day will be Monday, September 24th
